Friday 22nd September

Headteacher Comment

Thank you to all the parents who came to meet and chat with me last Friday. I really got a sense of how you all want the best for the school and the children.

Since I have started changes have been made already. These have been to the daily routines in school—timetables, break times etc.

I have made a note of the wishes expressed at our meeting on Friday and hopefully we will be addressing these in the coming weeks and months.

In the meantime, if you have anything you wish to discuss or talk about then please do not hesitate to come and see me.

Thanks

Mr D. Nelson
Headteacher

School Photographs

The deadline for payment for last weeks school photos in **Monday 25th September**. Make sure you bring the form and payment together and hand into the school office.

Class Dojo

We have started using an app called Class Dojo in school. We are using this as a behaviour management tool to reward good behaviour and sanction poor.

The children have enjoyed using it as have the staff. The long term use of this will be to help keep you informed about what's happening with your child each day at school. So download it on your phone in readiness for it to be rolled out fully next half term.

Harvest Assembly

Our Harvest Assembly this year is on Friday 6th October, beginning at 2pm. Rev Terry Moat will be leading the proceedings, so we are in for a treat. All adults are invited to join us.

Please wait for a letter that will ask for donations and what we are collecting this year.

Reminder

We still require some data collection sheets and home school agreements to be returned. These are important so that we have up to date contact information, so we can contact you if needed. Please return them to the office as soon as possible please.

Swimming

Year 3/4 & 5/6 have enjoyed their couple of lessons at Ashington Pool, so far this half term.

Can I remind you that swimming is a compulsory part of the National Curriculum and we are required to ensure that this part of the PE document is delivered to the standard required by the end of KS2. If a medical problem exists please discuss this with the class teacher and if necessary, your doctor if a medical note is required.
