Statement of intent

Choppington Primary School is a vibrant, enthusiastic, forward-thinking and safe learning environment in which pupils are given every opportunity to complete a fulfilling education.

We believe that homework plays an important part in education and the benefit of doing homework must be instilled at an early age so that independent study can be achieved.

We are also aware that pupils have opportunities and experiences outside of school that are equally important in developing and enriching their lives. We will give careful consideration to ensuring homework is well-balanced across the school.

This policy was developed in consultation with staff members and pupils, and with the full agreement of the governing board.

- Ensure that parents understand what is expected of their child.
- Encourage pupils to develop the responsibility and self-discipline required for independent study.
- Embed knowledge and support pupils' learning experiences via revision and reinforcement.
- Work with parents and involve them in their child's learning, and to keep them informed about the work their child is undertaking.
- Use homework as a tool for raising standards of attainment.
- Extend learning beyond the classroom.

3. The school's approach to homework

The school understands that setting, marking and providing feedback on homework is a large contributor to the workload of teachers; therefore, teachers will ensure that homework is only set to positively impact pupils' progress.

Prior to homework being set, teachers will ask themselves, 'Why am I setting this homework?' and 'How will this homework be useful to the pupil?' If the answers to these questions do not reflect a positive impact on pupils' learning, teachers will use their professional judgement and decide whether the homework is necessary.

Homework may also be uploaded to an online platform where pupils and parents can view homework tasks, reducing printing costs and the number of lost homework sheets.

Teachers will explain the school's approach to homework to parents at Assertive Mentoring meetings throughout the year.

At the beginning of each topic, each class will be informed of what is expected of them with regards to homework. A homework grid will be provided with various tasks either Literacy, Numeracy or practical in nature. The tasks on these grids will be optional. Pupils will use homework books to complete their homework to keep their homework neat and organised.

Each week, a new task will be added to the Learning with Parent's account for each child. These tasks are focused on developing communication and interaction between parent and child and will be based around a topic currently being covered in class either Literacy or Numeracy.

Pupils will also be expected to read at least 3 times per week and practice their times tables or use home learning programmes such as DoodleMaths with the log in provided at school.

Parents will be encouraged to discuss any errors with their child. If they have any queries, they should make an appointment to see their child's teacher. Feedback from parents about their child's homework will also be welcomed by the school.

Teachers will occasionally set extra homework for the whole class if they deem it beneficial.

4. Absences

If a pupil is absent from school due to illness or medical reasons, the school will not supply work for these periods – pupils should be well enough to undertake any work supplied.

There may be exceptions to the above and the classroom teacher will decide whether homework should be set on a case-by-case basis.

If a pupil is absent for a long period of time, the teacher and the parents of the pupil will agree on what should be done and how much help should be provided.

Catch-up support will be provided to absent pupils in order to help them catch-up with homework.

Absences when homework is set and due will be managed in line with the school's Attendance and Absence Policy.

5. Pupils with SEND

A balanced approach to homework will be adopted for pupils with SEND, in consultation with the pupil's parents and the SENCO.

Where appropriate, the school will set adjusted or specific tasks for pupils with SEND as outlined in their individual education plans.

While pupils with SEND may benefit from differentiated tasks separate from the homework received by other pupils, they will also complete as much standard homework as possible.

Pupils with SEND will be supported in accordance with the school's SEND Policy.

6. Equal opportunities

The school will ensure that it provides the full range of opportunities for all pupils, regardless of gender, sex, disability, sexual orientation, ethnicity and social, cultural or religious background.

All pupils will have equal access and inclusive rights to the curriculum regardless of their gender, race, disability or ability.

7. Monitoring and review

This policy is reviewed annually by the headteacher.

Any updates to this policy will be shared with parents, pupils and staff.

The scheduled review date for this policy is January 2025.
