

For Choppington Primary School: 2015-16

Information to show the Impact the Primary PE Funding is having on:

1. Choppington Primary School is one of 20 local First/Primary Schools that have pooled all Primary PE Funding to maintain the Blyth & Bedlington School Sport Programme. A service level agreement has been established across not just the Primary sector but also the Secondary schools that the pupils feed into which helps with transition at KS2/3

2. **This allows all schools:**
 - Access to a dedicated specialist PE teacher on a weekly basis. These teachers have a family of schools they work with, so a relationship is built up between the school, staff and pupils allowing for more effective teaching.
 - Access to a competition/festival programme of 20 events for pupils in KS1&2 including dance & gymnastics. This is published at the end of the summer term so schools can plan well in advance.
 - Working in partnership with other local schools has allowed for the best use of funding as equipment can be shared and facility hire/transport costs have been negotiated a much lower rate. Demonstrates best use of funding.
 - Access to an extra-curricular programme of 20 weeks delivery provide by the local sports development unit at a specially negotiated rate. All coaches are 'quality assured' and have appropriate qualifications and clearances. They are all line managed by one person and feedback data is requested at the end of each delivery block.
 - Access to local CPD opportunities
 - A 6 week curriculum delivery block of the FA Soccer Skills programme
 - A single conduit for all external agencies to work through to gain access to schools e.g. Fa/Tesco Soccer Skills programme and Judo programme

3. **The PE funding has allowed all year groups to access High Quality PE on a weekly basis.**
 - SSP teacher works in curriculum time with pupils from all year groups on a weekly basis using our equipment bank
 - Choppington Primary School Staff receive weekly CPD by working alongside SSP teacher. All staff gain access to this throughout the year on a rotational ½ term delivery basis.
 - This has allowed for a greater range of activities to be taught across KS1&2 e.g. Tag Rugby, athletics, tennis, speed agility & quickness work, multi-skill &

physical literacy, where we have provided the equipment to save costs to the school.

- Extra-curricular clubs have been in alternative sports e.g. Street dance, Ultimate Frisbee.

4. Competition entries 2011- 2016

The figures below show the number of competitions entered and the number of pupil places accessed by Choppington Primary School over the academic years 2011-2016.

The figures highlight the impact that the Primary PE Funding has had in this area:

2011 – 2012:	0 competitions entered		
	0 competition places accessed	0 Boys	0 Girls
2012 – 2013:	0 competitions entered	0 Boys	0 Girls
	0 competition places accessed		
2013 – 2014:	6 competitions entered		
	88 competition places accessed	39 Boys	49 Girls
2014 – 2015:	8 competitions entered		
	163 competition places accessed	83 Boys	81 Girls
2015 – 2016:	8 competitions entered		
	200 competition places accessed	101 Boys	99 Girls

In the period 2011 – 2016 this shows:

- 800% increase in the number of competitions entered by the school prior to 2013
- 23% increase in the number of pupil places accessed at competitions/festivals since 2014-15.

5. Staff professional development:

- In the year prior to the programme starting 0 staff attended external CPD courses.
- In the period 2012 - 2016, 4 staff places were accessed on 4 different external physical education CPD courses

This is additional to the weekly CPD that staff receive in school whilst working alongside SSP teacher

The school is reporting that the high quality PE/competition is impacting on the confidence and self-esteem of pupils as well as having a positive effect on attendance and classroom work.

The quality of the performance of the children from Choppington Primary School has risen dramatically over the past 2 years.

At the gymnastics and dance festivals held annually, the children from Choppington have produced performances of a high technical and creative standard.

Since the introduction of the Primary PE & School Sport grant, Choppington Primary School has become a far more active partner within the Blyth & Bedlington School Sport Programme and accesses all events they feel their pupils will benefit from.

Paul Woodall
