

## Sport Premium Overview 2017/18

### Choppington Primary School's Vision Statement:

*“The school believes that physical education, experienced in a safe and supportive environment, is a unique and vital contributor to a pupil’s physical development and well-being. A broad and balanced physical education curriculum is intended to provide for pupils’ increasing self confidence in their ability to manage themselves and their bodies within a variety of movement situations.”*

At Choppington Primary School we believe PE & Sport plays an important role in making our vision statement a reality for every pupil, with the potential to change young people’s lives for the better. We welcomed the Government’s announcement in June 2013 to provide additional funding to improve provision of physical education (PE) and sport in primary schools. We are committed to using this resource in developing high quality PE lessons, alongside greater opportunities for sporting competitions and clubs for all our young people.

### Sport Premium Grant

Funding for schools will be calculated by the number of primary aged pupils (between the ages of 5 and 11) as at the annual census in January. All schools with 17 or more primary aged pupils will receive a lump sum of £16,000 plus a premium of £10 per pupil. Smaller schools (less than 16 pupils) will receive £500 per pupil.

**Total no of primary aged pupils between the ages of 5-11(Jan 2017) 64**

**Total amount of Sport Premium Grant received 16/17 - £16,640**

### What does the Sport Premium mean for my School?

*‘Schools must spend the additional funding on improving their provision of PE and sport, but they will have the freedom to choose how they do this’ (DfE June 2013).*

At Choppington Primary School we have decided to spend the Sport Premium Grant on the following:

<b>Physical Education</b>
